# *MESSAGE FROM MINISTER OF TOURISM & TRANSPORT, CULTURE & SPORT*

Good morning, students, teachers, parents, and our dedicated coaches and volunteers.

It is my great pleasure to join you for this year's Primary School Track and Field Championships. Today, we celebrate not only athletic talent, but also the joy of participation, the importance of teamwork, and the value of healthy competition.

To our young athletes: you are the heart of today's event. Whether you finish first or fifth, simply stepping onto the track or field is an act of courage and commitment. Always remember that sport teaches us lessons far beyond the finish line, lessons of respect, perseverance, and community.

As Minister responsible for Sport and Recreation, I remain committed to investing in opportunities that allow children across our country to engage in sport safely and confidently. Events like these are where dreams begin, friendships are formed, and life skills are developed.

Congratulations to every participant, and thank you to the schools, staff, parents, and volunteers who made today possible. Let's continue to support our youth in living active, healthy lives.

Enjoy the 2025 Inter-School Championships!

**Owen Darrell, JP, MP**

# *MESSAGE FROM DIRECTOR OF SPORT AND RECREATION*

Good morning everyone,

It is truly a pleasure to be here today as we bring together some of our youngest and brightest athletes for the Primary School Track and Field Championships. At this stage, sport is about discovery, discovering movement, discovering fun, and discovering what it means to be part of a team. Events like today help shape positive habits early, building the confidence and character that will serve these children throughout their lives.

To every student out here, know that your enthusiasm, energy, and effort are what this day is really about. Whether you're running, jumping, or cheering from the sidelines, you are part of something special.

I'd like to thank our dedicated PE teachers, coaches, schools, and families who support and encourage participation. Your commitment allows our children to grow in environments where sport is safe, inclusive, and enjoyable.

As Director of Sport & Recreation, I want to remind everyone—Sports Matters. Not just for the medals, but for the movement, the mindset, and the memories. Have a fantastic day, and enjoy the spirit of friendly competition.

**K. Charryse Bean**
